ASKED SEVERAL OF OUR HIGHLY
EXPERIENCED TOP LAWYERS TO
PROVIDE THEIR ADVICE TO THE
“**CLASS OF 2012**”
HERE ARE THEIR COMMENTS.

“

One of the greatest things you can do throughout your legal career is give back to the community through pro bono service and by supporting legal aid groups. Throughout my 48-year career, I have always had a deep commitment to helping people. I've always believed that pro bono service is part of the oath you take as a lawyer. We attorneys must give back to the community and make a contribution for the betterment of everyone.”
